Downsizing Advice for January

To Jess <support@hometransitionpros.com>

Hi Jess!

Are you ready to elevate your living space and simplify your lifestyle? This month we're bringing you some insightful articles to help you do just that! Discover the secrets to downsizing effectively with our 'Three Feet Rule' for a low-stress downsizing experience. Plus, learn how to make small spaces feel grand with full-scale decor tips. Lastly, explore the current values of long beloved Waterford Crystal Stemware.

The Three Feet Rules for Downsizing

Wondering where to start on your downsizing journey? This blog offers practical advice for those moving to a smaller home by prioritizing items within three feet of your daily living spaces. This approach aims to simplify the downsizing process by focusing on what's truly important and frequently used.

How to Use Full-Scale Decor to Make a Small Space Feel Bigger

Here's a fresh perspective on decorating. This article suggests embracing larger furniture pieces to create an illusion of more space, rather than defaulting to smaller items. It also provides practical tips like using vertical space wisely and choosing simple wall treatments to enhance the sense of openness.
